I understand that NYC is a non-profit organization that seeks to provide Christian study and recreation. As a staff member, I am expected to set a good example to fellow staff and to campers. I understand that all staff 18 and older are required to submit to a background check through the camp's designated provider. (Go to www.nebraskayouthcamp.com/staff.html for link.) I donate my time and effort and understand that NYC will furnish my room and board at the campground during the session(s) I work. In the event of illness or injury to me, my medical insurance will be used first and, if necessary, the camp's insurance will be secondary.
