

2026 NYC Scholarship Information

For campers who need financial assistance, limited scholarship funds are available for parents/guardians to request.

The standard NYC scholarship will pay up to \$160 toward **one** session of camp (\$75 for half-week sessions).

Because funds are limited, parents/guardians are encouraged to first reach out to leadership of their local congregation for scholarships. Many congregations offer camp scholarships or have donors, but we understand that's not an option for everyone.

In order to request a scholarship, **begin** by registering your camper(s) either online or mailing in a registration form. *This includes paying the deposit.* Visit our registration page at https://nebraskayouthcamp.com/?page_id=129 for more information on registration.

Next, complete the form below and mail it in or email the same information to registrar@nebraskayouthcamp.com. Multiple requests can be mailed together or all of the information for multiple campers and sessions can be put in one email.

You will be notified of scholarship approval, and it will be credited against your camper's registration.
