Medical

1. This camper has permission to engage in all prescribed camp activities, except as noted.
2. I agree the camp is released from any liability in connection with this camper except as covered by the camp insurance carried by the camp (camp coverage is secondary).

Leaving Camp Grounds

- The benefits of the camp program are hampered by interruptions with outside activities. For this reason we encourage as few departures from the camp ground as possible. If it will be necessary for your child to leave camp during his/her session, please supply a list of dates, times and who will be picking the camper up to the director at registration.
- At two week sessions time is built into the weekend schedule for campers to make a town trip for laundry, lunch, or occasionally an organized camp activity during Senior Session.
